

# #2 Online Safety Rules

## Teaching Resource – Challenge Cards

### CURRICULUM ALIGNMENT

### 8 WAYS

nil

### AUSTRALIAN

ACPPS074; ACELA1528

### ACTIVATION

- Split the students into pairs and explain that they're going to research some things that can happen online that we need to be aware of
- Hand out the 'Challenge Cards' – 1 per pair
- Give the students time in their pairs to brainstorm or research the term. Have them come up with a definition and explain how it relates to young people online
- Have each pair explain their findings to the class

### REFLECTION / EXTENSION

- Ask the students to come up with different ways they could address these challenges
- Ask students to come up with some simple online safety rules

### SUPPORTING RESOURCE

- Challenge Card Sheet – cut into 'cards' containing a single term
